Allowable subject matter

Claims 1-5, 7-20 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art neither discloses nor suggests the following limitations in combination with the remaining elements disclosed in claim 1, 9, 16:

- the output steering device drives the first lamp until a failure in the first lamp is detected by the fault detector, and wherein the output steering device drives the second lamp when a failure is detected in the first lamp such as required by claim 1;
- the fault detected is coupled to the first controller to determine when a failure occurs in the first controller and a second controller selectively driving the first lamp and second lamp when a failure occurs in the first controller such as required by claim 9,
- a first output steering device, the first output steering device selectively driving the first lamp and the second lamp; a second output steering device, the second output steering device selectively driving the first lamp and the second lamp, a second fault detector, the second fault detector coupled to the first lamp and the second lamp to determine when a failure occurs in the first lamp or the second lamp and coupled to the first controller to determine when a failure occurs in the first controller as required by claim 16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
